

## **Exploring Vocation Incumbent Initial Reference**

## Some words of introduction:

Thank you for supporting this candidate as they explore what God might be calling them into. This form is an opportunity for you to introduce the candidate to us and to give your prayerful perspective on their potential vocation.

Because prayerful discernment is best done by a team, the information you provide will be shared with the members of the vocations team who work with your candidate and an electronic copy will be held securely in the Growing Leaders team files for a minimum of ten years.

There are a number of issues that can impede a candidate pursing a potential vocation. These include safeguarding and other criminal record issues; divorce and remarriage of the candidate or their spouse if a previous partner(s) is still living; co-habitation outside heterosexual marriage and serious debt. We also have policies on age of candidates. Candidates for LLM (Reader) ministry need to be under 70 when they finish training; candidates for ordained ministry will not be older than 55 for stipendiary ministry or 63 for self-supporting ministry when they are ordained.

If you have any concerns about any aspect of this form or the discernment process then please speak with me or contact <a href="mailto:rosie.strachan@blackburn.anglican.org">rosie.strachan@blackburn.anglican.org</a>.
