

## Philip Vautier

Phil grew up on the sunny island of Jersey before moving to London to study engineering. After working as an engineer he completed a two-year ministry apprenticeship at St Helen's, Bishopsgate, followed by four years as a Student Worker. He then spent three years as an ordinand at Oak Hill College. Phil is married to Innes, and they have four children: Clement (7), Margot (5), Jesse (3) and Perrin (1). After 16 years in London, they are very much enjoying life in the North West and particularly life at St Andrew's Church in Ashton-on-Ribble where Phil is serving his curacy.
