### 2pm Lyrics and Lunch Launch Event

Lyrics and Lunch is an award winning project serving those living with dementia and their carers which we have run in conjunction with St Chad's Lancaster for over 5 years. We have already planted in some other churches and are now launching a Lyrics and Lunch Network, offering training, support and resources to help new groups to develop. Hear from founder Jeanette Main, team members and participants. With songs and laughter from singer and raconteur Jonathan Veira.
