

THE VINE

How can I make space for God?

Abide in me as I abide in you.
John 15.4

Jesus describes how he ‘abides’ both with God the Father and with the disciples. Abiding is about living and dwelling, held by God; constant and faithful, completely at ease or even resting in God’s presence. Jesus invites us to abide in him in exactly the same way. You might want to ask yourself where and when you feel close to God now and how best you can make space for God ...

during each day and each week.

on your own and together with other Christians.

recognising what you need to feel refreshed.

Almighty God, whose son Jesus Christ
is the True Vine,
help us to make space for you in our lives:
to abide in you as you abide in us,
to put you first in all that we do and say,
to be people of faith and prayer,
and to find our rest and refreshment in you.
Amen.
