

## How can I keep growing as a Christian?

*I am the vine, you are the branches. John 15.5*

Jesus explains that we are like branches of his vine. We are all part of something bigger than ourselves: a community which is rooted in Jesus Christ. We are individually called by God in different ways, but Christian growth happens together. Jesus supports us to grow in faith by providing the pattern for how we can live. You might want to ask yourself how you have already grown and developed in your faith, and how best you can continue to do so ...

as you discover more about Jesus Christ.

in the communities to which you belong.

responding to God's call with creativity and generosity.

Almighty God, whose son Jesus Christ  
is the True Vine,  
give us grace to grow as Christians in our  
community:  
to follow his example and listen to your call,  
to rejoice that you have made us,  
to draw closer to you  
and to encourage others in faith.  
Amen.
