Archdeacon Michael

The Archdeacon of Lancaster, The Venerable Michael Everitt, has been appointed Canon Pastor at Durham Cathedral. Archdeacon Michael has served God through Blackburn Diocese for almost 27 years in a variety of roles and has been, in the words of Bishop Julian, 'a faithful colleague, priest and friend'. There will be a service of thanksgiving for Michael and Ruth's ministry in the Diocese at 6pm on Saturday, July 13 in the Cathedral, to which all are invited. [Read more.](#)

Primary Visitations and the Bishop's Bible Challenge

Throughout May, Bishop Julian will hold four 'Primary Visitations' across the Diocese, where all the Churchwardens in our parishes will be sworn in as officers. The Bishop will also commission, or recommission, new and existing Parish Vision Champions. Meanwhile, 'Archdeacons' Visitation News', with invaluable information for churchwardens and their parishes, will be distributed as usual. At each Primary Visitation, Bishop Julian will also formally introduce his 'Bishop's Bible Challenge'. To mark the moment, he will talk about our new booklet 'Bishop's Bible Challenge – Knowing The Scriptures Better'. For more information, including dates and times, [read more.](#)

HEALTHY CHURCHES TRANSFORMING COMMUNITIES

[‘Heartening and positive’](#)

A special meeting to review the various options for Parish share took place in March. Three options were put forward to more than 230 people from parishes who attended. A straw poll indicated option 3, ‘no change’ with Bishop Julian noting: “Though the meeting indicated a preference for no change to the formula, there was a heartening and positive note in the air about the need for us to change ourselves; for better stewardship and greater generosity.” [Read more](#) (with audio files of the presentations).

[New Vision Coordinator](#)

We have a new Vision 2026 Coordinator. If you missed the news (parishes were informed in a separate email message recently from Bishop Julian) then [read the Bishop’s letter here](#).

[Fasting for Vocations](#)

In early April the Growing Leaders team at the Diocesan offices, together with vocations teams across the Diocese, were joined by many others in a day of fasting and prayer for vocations, *writes Rev Nick McKee, Director of Vocations*. We asked God in prayer to raise up the lay and ordained leaders which his Church needs. On the day there were an unusually high number of new vocations leads arriving as we prayed.
