A one-off special Update about a communications first for the Diocese ...

BECOME A 'VIRTUAL PILGRIM' WITH BISHOP PHILIP

Bishop Philip has begun a daily video blog (or 'vlog') from the Holy Land during the 10 day Diocesan pilgrimage which started this week.

There are 40+ people on the trip from parishes across the Diocese and in his first vlog Bishop Philip invites you to join them as a 'virtual pilgrim'.

Watch vlog number one here <http://bit.ly/2iVWCG1> and you can read the background piece about the visit here ... <http://bit.ly/2hAcAsz>

Continue to watch subsequent vlogs by logging on to our [YouTube channel](#) daily; and please subscribe to the channel for alerts as videos go live each day until November 23.

You may also read, hear or see stories about the vlog and the Diocesan Holy Land visit in the local and regional media in the coming days.

Various people on the trip are also using Twitter and being retweeted on [@cofelancs](#) and there will also be a growing album of pics on [our Flickr feed](#). The videos will also appear on our Diocesan [Facebook page](#).
