## The God that just keeps on giving!

I don't know whether you were about in Blackpool earlier this year in the town centre.

There were a couple of fellas selling pillows. Two pillows for £5 – perfect rest.

Alongside them was a street preacher who I have known for many, many years. He was giving out free perfect rest in God, through Jesus Christ.

Short term and long-term fixes.

Let's go for the long term; perfect rest on earth and beyond - love the Lord your God.

Short term fix is when we choose to put our personal comfort and wealth before God.

All things deteriorate and nothing lasts forever and as they say, 'you can't take it with you!'

But who would do if they knew of some of the things to come? We can, as Christians, build up our treasures in heaven and God told us to do this.

God helps us in a loving way to realise wealth is not all there is in the lives we lead; that there is more, much more to come.

Unimaginable things to the point where will all be flabbergasted and opened mouth at the sight that God will reveal to us when we reach Him in Heaven.

The world can transfix us in terms of what it says we need and must have in our lives.

But our God says that He will never leave us or forsake us and that is what we take on board; a God who protects, loves, cares and provides day after day.

He takes into consideration what we need, not what we want. Yes, we may want a brand-new state-of-the-art kitchen, but does it figure in the grand scheme of things?

Our Heavenly Father gives life, food, clothes, family and all manner of things that we need, and provides that opportunity for us to grow closer to Him through Jesus Christ and allow the Holy Spirit to lead us into truth, that God is number one in our lives not wealth.

Being linked to Mosamaria Trust Fund for many years I have seen the orphan and vulnerable children affected by HIV/AIDS in Bloemfontein, South Africa who have little in terms of food, clothing and material things.

HEALTHY CHURCHES TRANSFORMING COMMUNITIES

But I saw smiles on their faces because thankfully they are aligned to our God who has led them into truth and everlasting life.

Please take a look at ([www.mosamaria.co.za](http://www.mosamaria.co.za)) to find out more about this worthy charity.
