Legalese - attached notes

The Disclosure of any offence may not prohibit employment. Please refer to our Rehabilitation of Offenders / Model Equal Opportunities Policy.

As this post involves working contact with children, young people and/or vulnerable adults all applicants who are offered an appointment will be asked to submit to a criminal records check before the position can be confirmed. You will be asked to apply for an Enhanced Disclosure through the Disclosure and Barring Service (DBS) (England & Wales) or through Access NI if you are in Northern Ireland or through Disclosure Scotland if you live in Scotland.

As the position is exempted under the Rehabilitation of Offenders Act this check will reveal details of cautions, reprimands or final warnings, as well as formal convictions not subject to DBS filtering rules. Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Orders as applicable within the UK), and you are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act with the exception of those that are subject to the DBS filtering rules.

In the event of appointment, any failure to disclose such convictions could result in the withdrawal of approval to work with children or vulnerable adults within the church/organisation. This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed.

The DBS Service Code of Practice and our own procedures are available on request for you to read. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children or vulnerable adults at risk.

As a place of worship/organisation we agree to abide by the Code of Practice on the use of personal data in employee/employer relationships under the General Data Protection Regulations effective from May 25th 2018, as well as the expectations of the DBS.

Notes - Children and Young People

Under the Protection of Freedoms Act 2012 it is an offence for any organisation to offer employment to anyone who has been convicted of certain specific offences, or included on either of the two barred lists held by the Disclosure and Barring Service where the post falls within the scope of regulated activity (as defined by the DBS, under the Safeguarding Vulnerable Groups Act 2006 and the Protection of Freedoms Act 2012). An enhanced with barred list check must be completed. Those working with children and / or vulnerable adults in posts which fall outside the scope of regulated activity may still be eligible for an enhanced disclosure WITHOUT a barred list check.

The DBS offers both an enhanced check and for those engaged in regulated activity an enhanced with a barred list check. For applicants in Scotland and Northern Ireland, similar provisions apply.
