

We are looking for a new headteacher for our school. We have lots of ideas about the type of headteacher we do need but our top 5 ideas are:-

- To be firm (without shouting) and fair
- To bring lots of fun and laughter, but make sure we learn lots too!
- To bring more opportunities to do art, DT, computing and music
- To let us go on more trips and do more of own projects like fundraising and charities
- To make sure we all learn the best we can

If you think you could do all these things and more, please come and have a look!

This may be the job for you!

Children from Class 3, Barrow Primary School
