

Brindle St James' CE Voluntary Aided School – HT Advert Wording

The governors wish to appoint an inspirational Headteacher to fill a vacancy created by the retirement of the current incumbent.

St James' school is a friendly, caring village school with one FS/KS1 class and two KS2 mixed age classes and an intake number of 10. In 2017 we achieved SIAMS 'outstanding' and Ofsted 'good' grades. In addition our school offers:

- a strong Christian ethos and close links with the parish church.
- a talented and dedicated staff team and supportive and committed governors.
- high expectations of children and positive partnerships with parents.
- happy, confident children who thrive in a positive learning environment.

The school is in the beautiful village of Brindle and we are proud to continue the strong local educational tradition that was established here several hundred years ago.

We are looking for a new leader who is:

- a practising Christian committed to upholding and developing the school's strong Christian character.
- an inspirational leader and effective manager who will nurture, motivate and challenge staff and pupils.
- a dedicated educator who is passionate about obtaining the best possible outcomes for pupils in a supportive and caring environment.
- a professional who promotes and safeguards the welfare of children.
- an excellent teacher who, through a part time (Point 4) teaching commitment, leads by example.

For further information please visit our school website: www.st-james12.lancsnngfl.ac.uk
