

## St Nicholas Church, Wrea Green is seeking to appoint an Organist

The new organist will play for our 9.30 Sunday service and for weddings and funerals.

St Nicholas is a vibrant parish and a forward-looking community and we are keen to work with an organist in shaping and developing worship. We have a small music group that welcomes the opportunity of working with a new organist on keyboard.

We are looking for a skilled and enthusiastic musician who enjoys working with clergy and congregation. We are fortunate to have St Nicholas Singers who provide support with worship and special services when required. There is scope to develop a junior choir, building on the excellent links with our church school.

All enquiries are warmly welcomed. Please contact: Church Warden Liz Almond
