

ORGANIST AND DIRECTOR OF MUSIC September 2018

Contract: Permanent St Peter's Church, Salisbury

With the departure of our current Director of Music at the end of August, we seek a gifted and collaborative musician to join our team here in Salisbury. We wish to develop our strong choral tradition, maintaining and enhancing our repertoire. We also wish to explore new music and styles of worship, currently a keyboard and guitar offer a different musical input.

We have a fine Harrison and Harrison organ, which was restored in 2010, and our robed choir is affiliated to the RSCM.

The musical life of the parish includes Sunday services (Choral Eucharist 2/3 Sundays each month, Family & Parade once a month, and Choral Evensong), special services, concerts, and weekly choir practices (currently Thursday evenings). There are about ten weddings and fifteen funerals each year.

Remuneration for this post will be negotiable. A small group of local church musicians offers the opportunity for flexibility within this post and for mutual support.

This post is subject to an Enhanced DBS check.
