

St Peter & St Paul's Church, Rishton is seeking to appoint an Organist

The new Organist (and Choir Lead) will play for our 10.30am Sung Eucharist on Sundays, on feast days, and for weddings and funerals.

St Peter & St Paul's is a vibrant and welcoming liturgical parish, in an exciting new chapter in its life of worship. We are a forward-looking community and we are keen to work collaboratively with an organist who will help shape and develop our worship and musical life.

We are looking for a skilled and enthusiastic musician who enjoys working with clergy, choir, and congregation. The church has a strong reputation locally for weddings and funerals, offering varied and rewarding musical opportunities.

We are fortunate to have an enthusiastic choir, which is further strengthened by members of the wider community at Easter, Christmas, and Patronal Festivals. We have a three-manual Sixsmith organ and a baby grand piano.

We worship in the modern catholic tradition of the Church of England and are committed to using well-known hymns, songs, mass settings, and liturgical music. There is also scope to develop a junior choir, building on excellent links with our church school (remunerated as appropriate).

The service fee is between £50–£85 per service depending on experience, requirements and an agreed job description.
