

Euxton Parish Church

Pioneer Youth Minister Job Pack

Euxton Parish Church

Euxton Parish Church is a growing church in the evangelical tradition in a village setting on the edge of Chorley.

The Parish

Euxton (pronounced Ex-ton) is a large village (approx. 14,000) on the west side of Chorley. The village is predominantly residential with a few shops either end of the village, 2 stations, 4 schools (and good links with St Michael's CE High School too) and more houses being built! The parish is divided by the M6 (the west side is farming land and the east housing).

Ministry at our Church

Euxton Parish Church (one church) sits at the centre of the village, most of whom regard it as 'their church'. In the past 3 years, we have begun a regular All Age Service which complements our other services across the week. We also run a mid-week Early Bird service for 0-4s and their carers.

These services form part of regular service pattern so that we offer a menu of services:

Sunday...

8am BCP, 9.15am All Age, 11am Holy Communion / Morning Prayer

Wednesday...

9.15am Early Birds & 11am Holy Communion.

Children & Families

We have seen a significant growth in our church family, especially in our ministry amongst families over the past 3 years. In Autumn 2021 we started a youth group for those school years 6-11, which has grown year on year. There are also very strong links with Euxton CE Primary School, and links with the other community schools in Euxton. In recent years we have been part of CPAS Ventures with other local schools.

Priorities

Our priorities as a church for the coming few years are...

- **Making disciples** - enabling everyone to grow in their faith and relationship with Jesus, including those who do not yet know that they need Jesus
- **Growing leaders** - encouraging the use of the gifts and skills within our church family, to be used to glorify God, particularly in the area of leadership if we are to continue to grow.
- **Outreach** - sharing God's love in a variety of ways to those in our community.
- **Resources** - ensuring that we use our resources (in the widest sense) well to help our mission and ministry.

The Team

Revd Jo Smith has been Vicar since December 2019. She has a passion for helping people to grow in their faith, realising their full potential and evangelism, with a real heart for children & young people, having been a Youth Minister prior to ordination. Jo loves exploring new parts of the world, as well as being Chaplain to Ironman Triathlons (with no desire to ever do one!).

Other team members include:

Lisa & Martin - our Church Wardens.

Gail - our church Administrator (20 hours / week)

Sue - Church Community Centre Co-ordinator

Paul - ordinand

Anne - Authorised Lay Minister (Youth)

We have a Youth team who enjoy leading and running sessions, with others in our church supporting youth ministry through prayer and cake! Our Early Bird service is also run by a great team which has recently grown to bring more people in to lead, run crafts and serve refreshments.

We have a growing number of church family who serve across a whole variety of ministries in the church from AV, to Cleaning, Pastoral to Social Media, Grounds to Finance and about any other you can think of! There is a committed and active PCC who are very supportive.

Pioneer Youth Minister

Our ministry amongst young people has grown significantly over the past number of years and we are keen to continue to develop this ministry, hence the establishment of this role. The post holder will be part of the ministry team and will have the incredible opportunity to invest and develop our ministry to young people and their families...what an investment. There is so much untapped potential here and a team and church willing to work with and alongside you.

The Ignite Project is part of Diocese of Blackburn's ambitious vision to see Jesus made known amongst children & young people in Lancashire. We seek to equip the local church to more than double the numbers of active disciples of Jesus in these ages.

We know that employing a youth or children's minister is the biggest common factor to seeing sustainable growth of youth and children's ministry. Therefore we are strategically placing 30 youth and children's leaders in parishes across Lancashire to **ENABLE** greater engagement with local young people, pioneering vibrant, faith-filled communities, events and activities that inspire and **NURTURE** young people's spiritual growth; space to encounter Jesus, exploring what following Him looks like

today. All to see them become a lifelong **DISCIPLE** of Jesus whose faith roots run deep and find a home in their local church family. Each parish that employs an Ignite Leader shares the vision and works together with the Ignite Project Team to see this vision come into fruition; reaching growing numbers of children and young people with the love of God through supportive and Spirit-filled ministry.

Ignite Leaders will receive monthly training (Forge Days), regular mentoring, and have the opportunity to access a formal ministry qualification. The Ignite Project seeks to be a catalyst for growth, creating lasting change through equipping churches to nurture faith and disciple future generations for a life a disciple of Jesus, whilst developing a network of passionate and dedicated youth and children's ministers who are valued, care for and invested in across the Diocese.

About Euxton Parish Church

Euxton (pronounced Ex-ton) Parish Church is a growing church in the evangelical tradition, on the edge of Chorley. In recent years, following the introduction of a weekly All Age Service we have seen significant growth in our ministry amongst families. We have very strong links with our local church primary school.

Our Youth Group was established in November 2021 and has continued to steadily grow, engaging young people from year 6 upwards. Early Birds is our Pre-school service which meets weekly in term time in church. We long to grow our children and youth ministry in both depth, number and outreach.

We have an incredible opportunity with families coming to church (especially from year 4 upwards for school admissions). The great question is how we continue to engage with these young people and their families to enable them to come to know and love Jesus and build a lasting relationship with Him and remain part of our church family?

Our church vision is “to be a healthy church which transforms our community”. Our focus is on discipleship (growing in our faith and service), outreach (reaching those who do not yet know Jesus) and resources (using wisely what God has blessed us with).

We are looking for someone who

- is committed to growing in their own relationship with Jesus.

- is an innovative, creative and visionary team player.
- has a heart for mission to the last, the least and the lost.
- is a good communicator, confidently able to engagingly share the gospel with a variety of ages and in a variety of settings.
- has experience of growing, leading and mentoring volunteer teams.
- is warm, relational and will intentionally integrate themselves into community and church life.
- has an understanding of the challenges that children or young people in 2025 face and how to support them.
- has a knowledge and understanding of a parish context.

We, as a Church, offer you

Regular continued professional development and mentoring:

- Opportunities for you to grow and stretch in your ministry, safe in the knowledge that the church leadership has your back.
- Retreat times that are different from annual leave.

Line Management & Pastoral Support

- Valuing work-life blend which will seek to help you bring your best whilst having time to rest, have fun and time of your own.
- Helping you to identify where your role begins and ends.
- Understanding and compassionate leadership that wants the best for you, your family & friends and your ministry.

A warm welcome, and opportunities for you to get to know us, and us you, and we know that it takes time to settle into a new church and ministry.
